

## 150 jaar tram in Gent

### *Save the date*

150 years of tramways in Ghent!

150 years ago marked the inaugural journey of Gent's first tram. This significant milestone will be celebrated in style on Sunday May 19 2024 as the historical city center of Gent stages a tram parade and nostalgic tram rides. Join us for an unforgettable experience featuring electric, horse-drawn, steam, and diesel trams.

On Saturday May 18 2024, you can preview the excitement with a delightful array of heritage trams traversing the city's streets in all directions.

For all details regarding the program, participating vehicles, timetables and more visit [www.150jaartram.be](http://www.150jaartram.be) starting from April 25 2024.
